Profile

Proactive problem solver, honest, loyal and highly committed.

After more than a year of intense work I'm ready and mentally prepared to go to the next level: developing myself in a great company. Curious about what my values and philosophy are? check this out

const favoriteTechs = MERN => "Mongo, Express, Javascript, React & Node".

The best way to learn is helping others

Employment History

May 2019 — Present

Barcelona

Fullstack Developer at Dalson Trade [dalsontrade.com]

I had the chance to take part of the key decisions in a software called Thunderchild: App dedicated to manage the SAP corporative events.

We **started from a blank project** integrating technologies like Redux, React, Material-UI, Testing in Backend (Mocha & Chai) and testing in Front (Cypress), practicing peer-programming... **Not only in Backend but also in Frontend areas**.

I worked in my daily basis inside a **team of 6 developers**. We worked together with GC Solution Company (gc-solution.de)

Oct 2017 — Nov 2018

Barcelona

Digital Marketing Consultant at EMEXS at- [emexs.es]

Developing SEO strategies for luxury hotels from Barcelona. Advanced configuration of Google Tag Manager and Digital Analytics

Jun 2011 — Oct 2017

Madrid, Tenerife & Barcelona
